January , 2012

Dear 8<sup>th</sup> grade Parents,

We are so excited to start our recruitment season here at New Tech High @ Coppel for the 2012-2013 school year. Tuesday, January 24 at 6:00p.m, kicks off the first of our four parent informational meetings for those 8th graders interested in applying to NTH@C for their high school experience. Interested 8<sup>th</sup> grade students and parents will need to attend **at least 2 of the 4** informational sessions to meet the requirements for submitting an application to NTH@C. This first discussion will be an overview of NTH@C including the philosophy of project based learning, small learning communities, and technology as a resource. We hope you can join us for at least two of the meetings and see for yourself why we are proud of what NTH@C has to offer. Please see our recruitment calendar below for all other dates. We look forward to meeting you soon!
